

RURAL MUNICIPALITY OF ALONSA

Controlled Burns - 2020

.....

REMINDER – Permission is Required to be obtained from the local Fire Chiefs for anyone who want to do a control burn on your property within the municipality.

Contact:

Westlake Fire Chief	Matt Duffy	431-233-3411
Amaranth Fire Chief	Logan Dumanske	204-842-2347
Amaranth Deputy Fire Chief	Max Beaulieu	204-843-2638
Alonsa Fire Chief	Donald Toms	204-843-2917
RM of Alonsa Municipal Office		204-767-2054

Fire Departments want to get as much information as possible prior to you doing a burn so that they can plan for any fires that happen to get away. Fire Departments want to know the day and approximate time that you want to do a control burn and the legal description of the burn.

Think before lighting any fires:

- How strong is the wind
- Direction of the wind
- How far away will the fire be from buildings/homes/livestock
- Contact the local Fire Departments to let them know your intentions to do a burn

Thank you for your cooperation in this regard.

Dated this 16th day of April, 2020.
