

RURAL MUNICIPALITY OF ALONSA
REQUEST FOR APPLICATION OF DUST CONTROL

DATE:	NAME:
PHONE #	ADDRESS:
LEGAL LAND DESCRIPTION (where dust control chemical is to be applied):	

CONDITIONS

1. A charge of **\$390.00** will be made for a single application of dust control chemical at each site, which shall consist of approximately 1,000 liters of product which will cover approximately 500 feet (150 meters) of roadway.
2. Payment must be received by **Friday May 19th, 2023.** Methods of payment: Cheque, Cash, Debit, Etransfer or Money Order.
3. The area to be serviced **must be staked out by the applicant prior to application.**
4. The Rural Municipality of Alonsa accepts **no responsibility** for the effectiveness of the dust control chemical.
5. The Rural Municipality of Alonsa reserves the right to perform such maintenance procedures as it deems necessary on the treated portions of the road. Although the Municipality will attempt to minimize any adverse effect of these operations on the treated portion of the roadway, the Rural Municipality of Alonsa will not accept liability for any restoration required.
6. Please take note that the dust control application may take place prior to gravelling of the roads in the municipality.
